

WORLD BRAHMAN CONGRESS

HISTORY

On October 6, 1991 Texas Brahman breeders and delegates from eight (8) countries (Costa Rica, Dominican Republic, Guatemala, Mexico, Paraguay, Thailand, United States, Venezuela) gathered and organized The World Brahman Federation with the headquarters and official address to be the international headquarters of the American Brahman Breeders Association.

OBJECTIVES of the World Brahman Federation:

- To preserve, improve and enhance the status of the Brahman breed around the world
- To foster better relations between member associations
- To promote the Brahman breed and its use in all areas of the world
- To provide the forum for establishing host countries for future **World Brahman Congresses**
- To exchange scientific and technical information among all member

Fourteen (14) World Brahman Congresses have been hosted in the following countries:

1982 Rockhampton, Australia
1984 Houston, Texas
1986 Johannesburg, Republic of South Africa
1988 Cartagena, Colombia
1990 Buenos Aires, Argentina
1992 Veracruz, Mexico
1994 Panama City, Panama
1996 Maracaibo, Venezuela
1998 Pereira, Colombia
2000 Pretoria, South Africa
2002 Rockhampton, Australia
2004 Merida, Yucatan

55 (34) 3336-7326

55 (34) 9942-7670

OBJECTIVES

- To create a platform where Brahman breeders and livestock scientists can discuss the latest developments in breeding technology and exchange ideas on an international level.
- To investigate in depth the involvement of the Brahman breed in the national and international beef industry.
- To apply the latest research results to practical Brahman breeding programs.
- To study the role of the Brahman breed in future registered and commercial breeding programs
- To investigate ways and means of promoting performance testing in pedigree and commercial Brahman herds.
- To promote the world wide consumption of beef in the light of negative publicity which relates beef to different diseases.
- To strengthen links between Brahman breeders world wide.
